Putting Down Roots

What is a Community Foundation?

A community foundation is a locally-run, incorporated, independent public foundation that:

- Builds and manages endowment and other types of funds to support charitable activities in its area
- Is autonomous and governed by a volunteer board of local leaders
- Exists in every province and one territory and is linked and supported at the national level through Community Foundations of Canada

What is an Endowment Fund?

An endowment fund is a sum of money that you have designated or allocated for the specific purpose of charitable giving. Capital donations to your endowment fund are permanent. The money is invested with the interest earned being used to create an annual grant to the charity of your choosing. Because the capital donations remain intact, your fund will exist in perpetuity to help fund the charitable causes that are most meaningful to you and your family... today...tomorrow...forever!

Ways to Give

All capital donations to a community foundation receive a charitable tax receipt for 100% of the donated amount. Donations may be made to your own endowment fund, another's endowment fund, the unrestricted community fund or to support the operations of the Brampton and Area Community Foundation (BACF).

A community foundation can receive:

- Cheque
- Cash
- VISA
- Securities*
- In-kind donations
- Estate bequest
- To be named the beneficiary of a life insurance policy

**Gifts of appreciated securities to a community foundation qualify for a 100% taxable gain exemption.*

Please contact the Foundation office at (905) 796-2926 for a personal consultation. The BACF does not charge any upfront fees to start an endowment fund.

Our Mission

To enrich the quality of life in Brampton and its surrounding communities over the long term by:

- Attracting and effectively growing endowment funds by helping donors fulfill their philanthropic interests
- Providing leadership in identifying and addressing significant community charitable priorities

Our Vision

The Brampton and Area Community Foundation (BACF), an incorporated, independent, philanthropic organization, will be seen as a

- Credible
- Conservative
- Sustainable organization

that will provide an effective vehicle for donors and philanthropists to leave a legacy for the long-term betterment of their community.

Message from the Board Chairs and President & CEO

Building on past years' success, the Brampton and Area Community Foundation (BACF) has made major advances in terms of endowment building, grant making and profile of the organization within the philanthropic community.

Currently, the BACF has an endowment portfolio valued at almost \$5.3 million, which demonstrates almost a complete recovery of the portfolio value from the recession of late 2008/early 2009. In 2010, the BACF saw an influx of approximately \$565,344 in new capital donations. Of this amount, approximately \$478,000 was permanent endowment which was a 58% increase in permanent endowments from 2009.

Grant making ability also increased. In 2010, the BACF made 64 grants totaling approximately \$318,000. Currently, the BACF has 63 endowment funds and has made over 250 grants to charity since inception with a dollar-value of over \$2 million.

L-R: Susan Crawford (Chair 2011); Maria Britto (Chair 2010); James Boyd (President & CEO)

The profile of the BACF continues to grow through important fund-holder relationships... the 2010 OPAL was widely considered the best OPAL to-date. The BACF was very fortunate to have great support from our sponsors that enabled the Foundation to present a professional event featuring the first annual Chair's Living Legacy Award to Maestro Robert Raines; and highlighted by the keynote speaker, Rick Frost, CEO of the Winnipeg Foundation, the oldest and second largest Foundation in Canada.

The annual Fund Holder Recognition Event in June continues to be a popular event for many of our fundholders. Additionally, the May Board of Advisor After-Business Event and the annual Grant Information Session are important opportunities for the Foundation to connect and present itself to supporters, advocates, stakeholders and charitable service organizations.

The Brampton and Area Community Foundation is an established institution in our community today. The BACF has strong and important partnerships with key organizations such as William Osler Health System, Wellspring Chinguacousy, Sheridan College, Brampton Library, Brampton Board of Trade, Peel Heritage Complex, and the leading Philanthropists in our community.

In 2010, the Foundation took great pride in being the first donor to the New Peel Memorial Hospital with a cheque of \$100,000 from a bequest received from the Estate of Margaret McIntyre. Such a donation was a strong statement of the Foundation's position and commitment to build our community. This donation prompted other donations to the New Peel Memorial Hospital through the Foundation in excess of \$250,000.

There remain challenges ahead, as the economic recovery remains slow and the Brampton community is experiencing, and will continue to experience, significant fundraising campaigns. Regardless of circumstance, the Brampton and Area Community Foundation will be the leading public, non-profit philanthropic organization in our community. The Foundation will be true to its vision, its mandate and together we will build our community.

In Memoriam

Above: Harry Cook and daughter Janet Maybee, January 2008

Sylvie Hyndman

Sylvie passed away in January 2011. Sylvie will be remembered by her husband, Scott, as a loving wife; by her children, Chantalle and Martine, as a devoted Mother; by her friends and colleagues for her friendship, energy and enthusiasm. Sylvie's smile and her zest for life and achievement were beyond compare.

True to her nature, Sylvie lived every minute to her best; keeping her illness a private matter at all times. The Brampton community was truly shocked and saddened upon hearing of Sylvie's passing.

During her life, Sylvie was greatly committed to Big Brothers Big Sisters of Peel and served as its President until her passing. Before her death, Sylvie and her husband, Scott, made provisions for the creation of an endowment fund at the Foundation in Sylvie's memory. Sylvie's endowment fund will benefit Big Brothers Big Sisters of Peel, the organization Sylvie loved dearly, in perpetuity. Sylvie left us too young; but her legacy will live onward.

Harold A. Cook

Harold (Harry) passed away in February 2009, after living a full and happy life. His daughter, Janet, and son-in-law, Dick, felt that an endowment fund at BACF was the best way to remember Harry and create a legacy of charitable giving in his memory.

Harry had developed glaucoma in the early 1970's. He visited the ophthalmologist regularly and used drops as prescribed; however, the glaucoma progressed and by the early 2000's he was completely blind. Always having a positive attitude, he was very independent and cared for himself in his own home until 2006, when he decided to move closer to his daughter, Janet, in Brampton. One of Harry's great joys in later life was listening to electronic audio books borrowed from the Brampton Library.

Harry would be so pleased to know that the Harold A. Cook Endowment Fund at the Brampton and Area Community Foundation was created by Janet and Dick is to benefit the Brampton Library. The very first grant to the Brampton Library, in Harry's memory, was one that supported the audio-book program.

Robert Raines

Maestro Robert Raines left us in 2011. Robert was the Maestro of the Brampton Symphony Orchestra, a great friend of the Brampton and Area Community Foundation and a great believer in permanent endowment funds as the best vehicle to guarantee the financial stability of a charitable organization.

In October 2010, Robert was selected by the Foundation as the first recipient of the Foundation's Chair's Living Legacy Award and recognized at the Foundation's OPAL: A Lasting Legacy dinner. As part of the tribute, the Foundation planted an oak tree in honour of the recipient at the Kiwanis Park in Brampton, as a lasting memorial. On that bright, sunny day, Robert was a contented man...thank you Robert for all you did for the Symphony and for Brampton.

In Memoriam endowment funds create a permanent charitable legacy and a remembrance of those we have loved. The Brampton and Area Community Foundation holds several 'In Memoriam' endowment funds as more and more families look to the Foundation to carry on, in perpetuity, the charitable work and interests of their loved ones.

Endowment Donors and Donations

The BACF would like to thank all of those who donated during 2010. Every donation makes a valuable contribution that will be used to grow endowments and improve the quality of life in our community.

Every effort has been made to ensure the accuracy of the following list of donors between January 1, 2010 and December 31, 2010. If an omission is noted, please accept our apologies and advise us accordingly, so we can update our records.
