F. Charles Waud Appointed Director of The Ontario Produce Marketing Association

Brampton, Ontario. It is with great pleasure and pride that we announce the appointment of WaudWare President, F. Charles Waud, to the position of Director with The Ontario Produce Marketing Association (OPMA).

Directors of The OPMA have been elected to oversee and manage the association. They are committed to ensuring that the policies and vision of the association are honoured. The OPMA is a non-profit organization whose primary objective is to promote the consumption of fresh fruit and vegetables within Ontario. In addition to reaching out to consumers, The OPMA provides members with specialized industry services ranging from produce inspections to business-building opportunities.

F. Charles Waud is the President of WaudWare Incorporated, a software development company specializing in software for business. PICS (Produce Inventory Control System) and WebPICS were designed specifically for businesses small and large in the fast-paced produce and distribution industries.
